Shelter & Drop-In Centre Open

Our shelter is now open in a hotel in Ilford, with 10 rooms providing emergency support for homeless people in Waltham Forest for the winter months. This season we have also opened a drop-in centre in Walthamstow. Our big challenge remains to find a new home in Waltham Forest. Our **Drop-In Centre** is open on **Mondays, Wednesdays and Thursdays 10am – 3pm,** at 24 Brookscroft, 640 Forest Road, E17 3ED (next to YMCA).

Your support is essential to help us to continue our life-saving work. This Christmas, please support us by giving what you can. Thank you.

FCENS Seeks New Home!

We are looking for a new venue in Waltham Forest to house our shelter and drop-in support centre. Our vision is to provide all-year shelter in single-room accommodation, alongside casework support. Our centre will draw on volunteers from our church network to give love and fellowship to our guests.

Can you help us find our new home? We are actively pursuing all avenues, but we are yet to find a suitable building that we can afford. We have secured funding from the government's 'transformation fund' to work towards our new venture. We now need the building to draw up plans and to build for the future. **If you can help, talk to us or contact info@forestnightshelter.org.uk.**

Join us in prayer for God's Grace to show us the way to a new home for FCENS and that we follow His lead as we support homeless people in our neighbourhood.
