Would you like to use your financial and accounting skills to help make a real difference to the lives of the homeless in Waltham Forest?

We are seeking a person who is passionate about the issue the of Homelessness to join a dynamic team of Trustees as Treasurer.

Working with the board of Trustees and the Charity Director you will oversee the finances of the organisation at this exciting time of transition. Our financial position is relatively healthy but we are in the process of exploring significant change as we look to future provision for the homeless.

FCENS is an independent charity working in partnership with local churches who are motivated by a common concern for the plight of the homeless in Waltham Forest.

Our mission is to save and transform the lives of the homeless in Waltham Forest and ensure everyone has somewhere to go. We provide emergency accommodation for the homeless during the Winter from 1 November to 31 March and casework support throughout the year.

Please contact the Chair icdrury@gmail.com with a brief covering letter of introduction. We would then invite you for a conversation with one or two of our trustees.
